### List of Senate Invitees to Council on Foreign Relations Trip to New York, NY

The below mentioned employees of the United States Senate have been selected to participate in a Council on Foreign Relations (CFR) congressional study group. This is a CFR initiative where we have identified a cohort of senior-level congressional staff to participate in off-the-record dinner discussions with members of the Council on Foreign Relations, CFR fellows, and other notable individuals and is part of our ongoing efforts to help build an informed, bipartisan community of senior congressional staff from both chambers. This trip to the CFR offices in New York is part of the study group activities and participants will attend a lunch meeting, with other members of the CFR, and meet with CFR experts based in New York.
